

THE BEST
anti-aging antioxidant product

C E FERULIC

WHY IT WON
Helps stop future damage while correcting present damage.

“Sunscreen is a must and I love the weightless texture of SkinCeuticals Physical Fusion UV Defense SPF 50.”

-Dr. Mary C. Herte, M.D., FACS: Plastic Surgeon, Las Vegas

most natural
01 THE PUREST FORMULATION
L-ASCORBIC ACID

WHAT THE EXPERTS SAY
“The low percentage of L-ascorbic acid makes this great for those who are more sensitive under the eye area.”

When used daily, this silky under-eye gel aids in the creation of new collagen around the eye area, correcting and preventing fine lines and wrinkles. Plus, it helps to take down under-eye swelling, bags and puffiness.
